

HINTS AND TIPS

CHOOSE A REPUTABLE REMOVAL COMPANY – Check out a few websites, look at their reviews.

PLAN AHEAD – Book a quote about a month in advance, even if the moving day is not yet confirmed.

DISCONNECT/DISMANTLE:

Gas appliances	<input type="checkbox"/>	Fitted Furniture	<input type="checkbox"/>
Light Fittings	<input type="checkbox"/>	Curtain Tracks	<input type="checkbox"/>
Electrical Appliances	<input type="checkbox"/>	Shelves	<input type="checkbox"/>
Aerial/Satellite dish	<input type="checkbox"/>	Carpets/Rugs	<input type="checkbox"/>

USE PROFESSIONAL PACKERS – they will use the correct materials to avoid damage to your property.

PLAN THE MOVING DAY – work out where items will go in your new home and ensure there is good access for a removal lorry by reserving space.

If access is difficult at your new home then **please make sure you tell the removal company in advance**. For example:

- | | |
|---------------------|------------------------------|
| -> Narrow roads | -> Overhanging trees/objects |
| -> Unmade Roads | -> Small doorways |
| -> Spiral staircase | -> Gravel drive/manholes |

PRE-REMOVAL DAY:

Run down freezer	<input type="checkbox"/>	Reserve parking for lorries	<input type="checkbox"/>

REMOVAL DAY:

Put together a moving pack:

Food & Drink	<input type="checkbox"/>	Children's Toys	<input type="checkbox"/>
First night essentials	<input type="checkbox"/>	Find and label keys	<input type="checkbox"/>
Cash and important documents	<input type="checkbox"/>		

And most important – don't pack the kettle!
